INN & RESTAURANT

Back in the early 1900's, J.A. Harris and his wife Kate, traveled from Texas to the Imperial Valley, where they established one of California's first cotton gins and a bank. They later farmed in the Imperial Valley in the 1920's before moving to the Sacramento Valley where their only son, Jack, graduated from Chico High School before attending Cal Poly at San Luis Obispo. In 1937, Jack and his wife Teresa, founded their own ranch on the west side of the San Joaquin Valley. The ranch was started on a previously unirrigated, half-section of land. Deep wells were drilled, land was cleared and leveled and the farm has expanded over the years to several thousand acres of prime irrigated farmland. The ranch originally grew primarily cotton, cantaloupe, and grain. Today, Harris Farms covers approximately 18,000 acres, including a 100,000-head feed lot and a modern beef processing facility located about 30 miles east of the farm. In addition to quality beef, we produce a wide variety of vegetable, fruit and nut crops, about 22 in all. These crops include everything from cotton, lettuce, garlic, asparagus, onions, tomatoes and melons to oranges, lemons, pistachios, walnuts, almonds and wine grapes. John and Carole Harris take pride in producing fine beef and produce, as well as being hosts to the many travelers stopping at HARRIS RANCH.

"Great brands aren't born, they're built over a lifetime of hard work, dedicated leadership and continual innovation. That's how a family name becomes a strong company and a trusted brand like Harris Ranch."

-John C. Harris, Corporate Chairman/Owner

HONEST TO GOODNESS BEEF

At Harris Ranch we have always taken great pride in raising beef that is as pure and great tasting as nature intended. Over the years since our founding, Harris Ranch has built a uniquely integrated beef production system where we control cattle sources, feeding and processing. Few beef companies—other than Harris Ranch—can truly claim they control all aspects of production. Today, Harris Ranch is now the largest cattle feeder, beef processor and beef marketer in California and one of the largest family-owned agribusinesses in the nation.

But despite our size, Harris Ranch is still very much a family operation at heart. We are proud of our long-standing history of being a producer of premium quality beef products which we market at supermarkets and restaurants throughout the west. Whether it's our fresh beef, fresh or frozen ground beef or our expansive and award-winning line of fully cooked and refrigerated entrees, Harris Ranch remains dedicated to continuing a tradition of quality as we move into the future.

CALIFORNIA CHAMPIONS

Harris Farms has been racing and breeding thoroughbred horses in California for over 40 years. The breeding and training operations are located at the main farm, ten miles northwest of the Inn & Restaurant. The weanling and yearling crops are

divided between the main farm and our nursery at the beautiful River Ranch, which is located along the Kings River near Sanger. John Harris, president and owner of Harris Farms, is a strong voice in the horse industry and is a past president of the California Thoroughbred Breeders Association, Chairman of the California Racing Board and a member of the Jockey Club.

Harris Farms has California's leading stallion roster and offers their services to over three hundred mares annually. The roster is highlighted by Unusual Heat, California's Leading Sire for six consecutive years (2008-2013), and by Lucky Pulpit, CA sire of California Chrome, the only CA bred in history to win both the Kentucky Derby (Gr1) and Preakness Stakes (Gr1).

The roster also features Swiss Yodeler, a perennial leading sire of two year olds as well as Heatseeker (IRE), the leading first, second and third crop sire, as well as Tizbud, Lucky J. H., Desert Code and Thorn Song.

The farm enjoys a very loyal clientele that includes some of California's leading horse enthusiasts. Successful graduates of Harris Farms programs include 2000 and 2001 Eclipse Award winner and 2000 Horse of the Year, Tiznow, as well as California Horses of the Year Soviet Problem, Moscow Burning, Nashoba's Key and Continental Red. In addition, farm graduates have garnered 27 divisional winners.

Celebrating Over 35 Years of Hospitality

In the true pioneer spirit of the Harris family, Harris Ranch was opened in 1977. We observed that there was the need for an oasis where travelers might stop, rest, and enjoy the bounty of our harvest. We have designed the menus around the fruits and vegetables we grow and creatively showcase the West's Best Beef in dishes that we hope you will enjoy!

We still believe in doing things the "Old Fashioned Way". We cut our own beef and prepare your favorite dishes from scratch everyday. Our breads, cakes, pies, cookies, and other pastries are baked in our ovens everyday to maximize freshness. It is with great pride that John and Carole Harris continue the tradition of providing western charm and hometown hospitality to the California traveler.
