## INN & RESTAURANT

*Back in the early 1900's, J.A. Harris and his wife Kate, traveled from Texas to the Imperial Valley, where they established one of California's first cotton gins and a bank. They later farmed in the Imperial Valley in the 1920's before moving to the Sacramento Valley where their only son, Jack, graduated from Chico High School before attending Cal Poly at San Luis Obispo.*

*In 1937, Jack and his wife Teresa, founded their own ranch on the west side of the San Joaquin Valley. The ranch was started on a previously unirrigated, half-section of land. Deep wells were drilled, land was cleared and leveled and the farm has expanded over the years to several thousand acres of prime irrigated farmland. The ranch originally grew primarily cotton, cantaloupe, and grain. Today, Harris Farms covers approximately 18,000 acres, including a 100,000-head feed lot and a modern beef processing facility located about 30 miles east of the farm. In addition to quality beef, we produce a wide variety of vegetable, fruit and nut crops, about 22 in all. These crops include everything from cotton, lettuce, garlic, asparagus, onions, tomatoes and melons to oranges, lemons, pistachios, walnuts, almonds and wine grapes. John and Carole Harris take pride in producing fine beef and produce, as well as being hosts to the many travelers stopping at HARRIS RANCH.*

*"Great brands aren't born, they're built over a lifetime of hard work, dedicated leadership and continual innovation. That's how a family name becomes a strong company and a trusted brand like Harris Ranch."*

*-John C. Harris, Corporate Chairman/Owner*

### **HONEST TO GOODNESS BEEF**

At Harris Ranch we have always taken great pride in raising beef that's as pure and great tasting as nature intended. Over the years since our founding, Harris Ranch has built a uniquely integrated beef production system where we control cattle sources, feeding and processing. Few beef companies—other than Harris Ranch—can truly claim they control all aspects of production. Today, Harris Ranch is now the largest cattle feeder, beef processor and beef marketer in California and one of the largest family-owned agribusinesses in the nation.

But despite our size, Harris Ranch is still very much a family operation at heart. We are proud of our long-standing history of being a producer of premium quality beef products which we market at supermarkets and restaurants throughout the west. Whether it's our fresh beef, fresh or frozen ground beef or our expansive and award-winning line of fully cooked and refrigerated entrees, Harris Ranch remains dedicated to continuing a tradition of quality as we move into the future.

### **CALIFORNIA CHAMPIONS**

Harris Farms has been racing and breeding thoroughbred horses in California for over 40 years. The breeding and training operations are located at the main farm, ten miles northwest of the Inn & Restaurant. The weanling and yearling crops are divided between the main farm and our nursery at the beautiful River Ranch, which is located along the Kings River near Sanger. John Harris, president and owner of Harris Farms, is a strong voice in the horse industry and is a past president of the California Thoroughbred Breeders Association, Chairman of the California Racing Board and a member of the Jockey Club.

Harris Farms has California's leading stallion roster and offers their services to over three hundred mares each year. The roster is highlighted by Smiling Tiger, California's leading First Crop Sire of 2017 and leading Second Crop Sire of 2018, and the promising Mr. Big, the sire of two graded stakes performers from a very few number of starters and whose runners have average earnings in excess of \$120,000. Harris Farms was honored as California's Leading Breeder in 2017 with runners bred by the farm earning \$1,765,032.

The high level of success on the racetrack and in our breeding shed continues to be the goal at Harris Farms, which has accounted for 51 California divisional champions, eight California Horse of the Year honors and three Eclipse Awards for national Horse of the Year for the farm and its clients. Thoroughbred stars who trace their roots to Harris Farms include California's All-Time Money Earner, 2014 Kentucky Derby and Preakness winner and two-time Horse of the Year California Chrome: Horse of the Year and only two-time Breeders Cup Classic winner Tiznow.

## *Celebrating Over 35 Years of Hospitality*

*In the true pioneer spirit of the Harris family, Harris Ranch was opened in 1977. We observed that there was the need for an oasis where travelers might stop, rest, and enjoy the bounty of our harvest. We have designed the menus around the fruits and vegetables we grow and creatively showcase the West's Best Beef in dishes that we hope you will enjoy! We still believe in doing things the "Old Fashioned Way". We cut our own beef and prepare your favorite dishes from scratch everyday. Our breads, cakes, pies, cookies, and other pastries are baked in our ovens everyday to maximize freshness. It is with great pride that John and Carole Harris continue the tradition of providing western charm and hometown hospitality to the California traveler.*
